INDEPENDENT AUDITORS' REPORT

To the Board of Directors
St Mary Community Action Committee
Association, Inc
Franklin, Louisiana

We have audited the accompanying statement of financial position of St Mary Community Action Committee Association, Inc (a nonprofit organization) as of March 31, 2012, and the related statements of activity and changes in net assets, and cash flows for the year then ended. These financial statements are the responsibility of the Association's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and the significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of St Mary Community Action Committee Association, Inc as of March 31, 2012, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with Government Auditing Standards, we have also issued our report dated September 25, 2012, on our consideration of St Mary Community Action Committee Association, Inc's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements of St Mary Community Action Committee Association, Inc taken as a whole. The statements of activity by program are presented for additional analysis and are not a required part of the basic financial statements of the St Mary Community Action Committee Association, Inc. The accompanying schedule of expenditures of federal awards and related notes are presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, "Audits of States, Local Governments, and Non-Profit Organizations", and are also not a required part of the basic financial statements of St Mary Community Action Committee Association, Inc. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects, in relation to the financial statements taken as a whole.

Basis of Accounting

The accrual basis of accounting is generally used by the Association

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Inventory – Subdivision Development

It is the intension of the Association to subsidize the purchase price of homes to certain qualified low income buyers. Therefore, the value of inventory of homes in the Subdivision Development program is valued at contractual sales price (which is lower than construction costs or estimated fair value).

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (continued)

Support and Revenues

A significant portion of the Association's support and revenue is in the form of grants and contributions from governmental agencies and other groups. Contributions are generally reported as temporarily restricted, if they are received with donor stipulations. Significant grants are also accounted for as temporarily restricted if the value received by the grant provider is only incidental to the public benefit provided by use of the grant funds. When the stipulations of the grantor or donor are met, then these assets are reclassified as unrestricted and reported in the statement of activity and changes in net assets as net assets released from restrictions. The Association receives some grants which would normally be accounted for as temporarily restricted. However, when the Association meets grantor restrictions in the same year as the grant funds are received, these grants are reported as unrestricted.

Grant funds received from grant providers, who receive significant value in exchange for grant funds, are accounted for as exchange transactions and revenue is recognized as services are performed.

Expenses

Assets or expenses and their related liabilities are recorded when the related goods or services are received by the Association.

Utilization of Contributed Goods, Services or Facilities

In general contributed goods and facilities that meet the proper criteria are recorded as items of support or revenue with a like amount recorded as expense upon receipt at fair market value.

In accordance with FASB Accounting Standards Codification, contributions of services shall be recognized only if the services received a) create or enhance nonfinancial assets or b) require specialized skills and the person providing the service possesses the specialized skill.

Fixed Assets

Purchased furniture, fixtures, and other equipment are valued at their actual cost or estimated cost. Contributed items are valued at their estimated fair market value at the date of the contribution. Fixed assets are depreciated over their estimated useful lives on the straight-line basis.

Fixed assets purchased with grantor funds may need to be used for a specific purpose or time period and returned to the grantor, sold or retained by the organization in accordance with the respective grant agreements upon program completion. The Association accounts for the acquisition of fixed assets in one of two ways depending upon grantor restriction as shown below:

1. If the grantor does not stipulate the use, timeframe, and disposition of the fixed assets then the Association records fixed assets as unrestricted support when the assets are placed in service.

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (continued)

- 2 If the grantor specifies a particular use but no timeframe it is the Association's policy to record the fixed assets as restricted support and increase temporarily restricted net assets. The Association then records depreciation over the asset's useful life and net assets are periodically reclassified from temporarily restricted to unrestricted as the asset is depreciated.

Funds received that are restricted to the construction of fixed assets are reported as restricted support that increase temporarily restricted net assets, those restrictions expire when the construction is complete and the fixed assets are placed into service, at which time they are accounted for as described in 1 or 2 above.

Compensated Absences

Compensation is paid to employees absent from work due to illness or vacation. An accrual is made for the amount of compensation the employees will receive in the future based upon services performed through March 31, 2012. The amount accrued at March 31, 2012 is approximately \$63,000.

Net assets

In accordance with the FASB Accounting Standards Codification, the Association must report net assets in each of the following three classes:

- a permanently restricted - net assets in this category are restricted by grantor or donor imposed restrictions that neither expire by passage of time nor can be fulfilled or otherwise removed by actions of the organization.
- b temporarily restricted - net assets in this category are restricted by grantor or donor imposed stipulations that either expire by passage of time or can be fulfilled and removed by actions of the organization.
- c unrestricted - net assets in this category are not restricted by grantor or donor imposed restrictions.

The Association has unrestricted and temporarily restricted net assets.

The temporary restrictions result from grants or donations received with restrictions that expire when those grantor or donor imposed stipulations have been met. Once the stipulation related to the restriction has been met these temporarily restricted net assets are reclassified as unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (continued)

Cash and cash equivalents

For purposes of the Statement of Cash Flows, the Association considers all cash in non-interest bearing checking accounts and cash on hand to be cash and cash equivalent accounts

Income Tax Status

The Association operates as a not-for-profit organization. It is accorded tax exempt status under Section 501 (c) (3) of the Internal Revenue Code.

NOTE 2 - INVENTORY – SUBDIVISION DEVELOPMENT

In a prior year the Association developed Morgan City Heights, a small single family subsidized residential subdivision. The City of Morgan City donated to the Association four developed lots in a subdivision in Morgan City, Louisiana valued at \$5,000 each. In addition, the Association received a grant through the Louisiana Housing Corporation (LHC), formerly Louisiana Housing Finance Agency (LHFA) from the Home Investment Partnership Program (HOME) from HUD. This grant was used to supplement the construction costs of the homes. It is the intent of the Association to make the sales price of the homes affordable to lower income buyers by recovering only a portion of the construction costs of the homes, not the fair value of the homes. Construction of all four homes was complete as of March 31, 2010. During the year ended March 31, 2010, two of the homes were sold at a sales price of \$55,000 each, in addition, rental agreements with options to purchase, (at a price of \$65,000, each), were obtained on the two remaining homes.

It was not the intent of the Association, nor its funding grantors, to recover the construction costs of these homes from the sales price. The value of the two remaining homes subject to rental purchase option has been reduced to the option price and is reported on the Association balance sheet at \$130,010 (\$65,005 each).

NOTE 3 - FIXED ASSETS

The following is a summary of fixed assets by major category with their related estimated useful lives

| <u>Category</u> | <u>Cost</u> | <u>Estimated Useful Life</u> |
|-------------------------------|---------------------|------------------------------|
| Land | \$ 116,000 | |
| Buildings | 7,658,809 | 35 years |
| Vehicles | 1,290,178 | 3 years |
| Furniture and fixtures | 85,384 | 5 years |
| Machinery and equipment | 1,015,386 | 5 years |
| Leasehold improvements | 96,471 | 5 years |
| Total | 10,262,228 | |
| Less accumulated depreciation | <u>3,072,713</u> | |
| | <u>\$ 7,189,515</u> | |

Depreciation for the year ended March 31, 2012 totaled approximately \$310,000

Certain grant requirements restrict the use of certain fixed assets. Substantially all buildings and vehicles acquired with grant funds would revert to the grantor if those fixed assets would cease to be used in that program.

NOTE 4 - NOTES PAYABLE

Notes payable at March 31, 2012 are as follows

Description

| | |
|---|-----------|
| \$200,000 non-interest bearing revolving loan due to Louisiana Housing Corporation, formerly Louisiana Housing Finance Agency used for Construction of Faith Place Subdivision, Outstanding balance due at March 31, 2012 | \$184,000 |
|---|-----------|

| | |
|---|--------------|
| The Association maintains a line of credit bearing interest at a rate of 4% with a local bank in the amount of \$25,000. Outstanding indebtedness related to the line of credit at March 31, 2012 | <u>9,500</u> |
|---|--------------|

| | |
|---------------------|------------------|
| Total Notes Payable | <u>\$193,500</u> |
|---------------------|------------------|

NOTE 5- LEASES

At March 31, 2012, the Association had five significant operating leases in effect. The leases cover the buildings in various locations used to serve recipients of the Association's services. Total Rent expense for the year ended March 31, 2012 totaled approximately \$22,800.

The aggregate future minimum lease payments for the five leases is approximately

| | |
|---------------------------|-----------------|
| Year ended March 31, 2013 | <u>\$26,700</u> |
|---------------------------|-----------------|

NOTE 6 - UTILIZATION OF CONTRIBUTIONS

The following contributions were received and recognized, for financial reporting purposes, by the Association during the year ended March 31, 2012:

| <u>Program</u> | <u>Contribution</u> | <u>Amount</u> |
|---|-----------------------|-------------------|
| Head Start | Food Commodities | \$50,387 |
| Head Start | Professional Services | <u>142,176</u> |
| Total recognized contributions received | | <u>\$ 192,563</u> |

In addition to the contributions recognized for financial statement purposes, the Association receives other donations primarily from parent volunteers in the Head Start Program. These contributed services and certain other items were not recognized for financial reporting purposes because they do not meet the criteria set forth in FASB Accounting Standards Codification, however, these contributions do meet the matching requirements set forth in the Head Start grant. The sum of recognized and unrecognized "in-kind" contributions and other matching contributions qualifying for the Head Start Program total approximately \$1,160,000.

NOTE 7 - EMPLOYEE BENEFIT PLAN

The Association provides a 401(k) savings plan for its eligible employees. All employees with one year of service and an attained age of 20 ½ may participate. Participating employees may elect to contribute up to ten percent of their earnings. The Association may contribute an amount equal to a percent of the participants' contributions. The Association contributed approximately \$62,000 to the plan for the year ended March 31, 2012.

NOTE 8 - RELATED ENTITIES

The Association is a participant in a Limited Partnership as a General Partner sharing 5% in profits and losses and 5% in ownership capital. Because of the Association's small amount of ownership and because of certain provisions of the partnership agreement that restrict the Association's activities, the Association does not account for their investment in the partnership under the equity method. Rather, the Association records its share of income or loss when reported by the partnership. The partnership was formed for the purpose of constructing and maintaining a 30 unit low to moderate income townhouse community, "Sparrow Gardens Townhouses", located in Centerville, Louisiana. The total cost of the project was approximately \$1,376,000. This project was completed in 1996.

The Association acting in the capacity of a Community Housing Development Organization (CHDO) is the administrative manager of the complex. The accounting and financial management of the complex is handled by another partner.

In addition to its share of profits or losses, the Association receives \$15 per occupied unit per month as a management fee. Total Fees for the year ended March 31, 2012, totaled approximately \$5,000 and are reported when earned.

The Partnership's year end is December 31, 2011. Total net assets (deficit) of the partnership total (\$397,000) at December 31, 2011. The partnership incurred a net loss of \$54,000 at December 31, 2011. The amount of this loss attributable to the Agency is \$272.

NOTE 9 - CONCENTRATIONS

Ninety percent of the Association's funding is obtained from federal grants. The largest federal grant administered by the Association is the Head Start program which accounts for fifty five percent of the Association's total funding for the year ended March 31, 2012.

NOTE 10 - SUBSEQUENT EVENTS

The Association's management evaluated whether any events and transactions occurred subsequent to March 31, 2012 through September 25, 2012, the date the Association's financial statements are available to be issued, and determined that there were no material events or transactions that would require recognition or disclosure in the Association's financial statements.

**INTERNAL ACCOUNTING CONTROL AND COMPLIANCE
AND OTHER MATTERS**

REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
St Mary Community Action Committee Association, Inc
Franklin, Louisiana

We have audited the financial statements of the St Mary Community Action Committee Association, Inc (a nonprofit organization) as of and for the year ended March 31, 2012, and have issued our report thereon dated September 25, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of the St Mary Community Action Committee Association, Inc is responsible for establishing and maintaining internal control over financial reporting. In planning and performing our audit, we considered the St Mary Community Action Committee Association, Inc's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the St Mary Community Action Committee Association, Inc's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the St Mary Community Action Committee Association, Inc's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined previously.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the St. Mary Community Action Committee Association, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended solely for the information of management, the board of directors, awarding agencies, and the Legislative Auditor of the State of Louisiana, and is not intended to be and should not be used by anyone other than these specified parties. However, under Louisiana Revised Statute 24:513, this report is considered a public record and may be distributed by the Legislative Auditor.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS
THAT COULD HAVE A DIRECT AND MATERIAL EFFECT ON
EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE IN
ACCORDANCE WITH OMB CIRCULAR A-133

Board of Directors
St Mary Community Action Committee Association, Inc
Franklin, Louisiana

Compliance

We have audited the compliance of the St Mary Community Action Committee Association, Inc (a nonprofit organization) with the types of compliance requirements described in the OMB Circular A-133 Compliance Supplement that could have a direct and material effect on each of the St Mary Community Action Committee Association, Inc's major federal programs for the year ended March 31, 2012. The St Mary Community Action Committee Association, Inc's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the St Mary Community Action Committee Association, Inc's management. Our responsibility is to express an opinion on the St Mary Community Action Committee Association, Inc's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about St Mary Community Action Committee Association, Inc's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the St Mary Community Action Committee Association, Inc's compliance with those requirements.

In our opinion, St Mary Community Action Committee Association, Inc , complied, in all material respects, with the requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended March 31, 2012

Internal Control Over Compliance

The management of St Mary Community Action Committee Association, Inc is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered St Mary Community Action Committee Association, Inc's internal control over compliance with the requirements that could have a direct and material effect on a major federal program to determine the auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the St Mary Community Action Committee Association, Inc's internal control over compliance.

A deficiency in a entity's internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses as defined above.
